## LLOYDMINSTER CONSTRUCTION ASSOCIATION

Working together for your Construction Industry.  
We are your Commercial Construction Information Centre.

### Office Hours

Monday – Friday  
8:00 am – 12:00 pm  
1:00 pm – 4:00 pm

The Lloydminster Construction Association is a non-profit organization founded in 1979 to provide commercial and industrial contractors opportunities to access tender project information. Our goal is to work on behalf of all companies involved in the construction industry.

Membership allows you to have a voice, as there is strength in numbers. We provide a network for your professional and business needs. The LCA promotes the contributions and importance of the construction industry to our local and provincial economies of AB and SK
