School Registration

The focus of this event is once again to promote careers in the trades, in which today's youth will be able to explore a wide range of options for a career in all trade industries. It will be a unique opportunity for your students to participate in this local event, which will provide information for today's youth.

Feedback from Teachers, Exhibitors and Students indicated this to be a very worthwhile event for your students to take part in and we would like to anticipate the same support for the 9th Annual Try-A-Trade Career Expo.
